

Zinser Elementary K- SCHOOL SUPPLIES

Dear K-Knight (Young 5's) Parents,

Although some necessary supplies for our classroom have already been purchased by the Kenowa Hills School District, there are some specific items that we will need beyond those. Due to Covid-19, we have gone from a "community supplies" classroom to a "personal supply" classroom to keep our students safe. I would like for each child to have one standard sized pencil box with the following items, if you need assistance with these items for ANY reason, I will get your child what they need.

- 1 Glue Stick (small or large)...if you wish to donate the rest to the classroom, I will replenish student's supplies throughout the year.
- Crayons (Crayola is best)...8 pack is all we need. Basic colors.
- 1 Highlighter (Any color) ...if you wish to donate the rest to the classroom, I will replenish student's supplies throughout the year.
- 6 sharpened pencils with erasers. (please no pencil sharpeners)
- Basic colored pencils 8 or 10 pack

****I will supply scissors for your child's unique cutting needs (I have right handed, left handed, and loop scissors) this will be determined after school begins.

If you wish to donate to the room, **ANY** of the above supplies really help. We also use the following items a lot!

- Disinfectant Wipes (I have the kiddos help keep a clean learning environment)
- Lysol spray (used by me only)
- Ziploc Bags (quart, and gallon sizes) **MUST HAVE THE SLIDER FOR LITTLE HANDS!**
- Band-Aids
- Play-doh (any size) we use this frequently to make letters, numbers, and shapes
- Kleenex
- Plastic Spoons
- Brown or white Paper Lunch Bags (any size)
- Healthy single sized snacks (goldfish, pretzels, veggie straws, teddy grahams) for kids who forget snack.
- Markers (Crayola is preferred) Classic or Bold
- Cotton balls for crafting and counting
- Dry erase markers

Each child needs:

- Headphones (please, not earbuds) clearly marked with their name on it.
- 2 healthy snacks daily. (Fruit, veggies, cheese and crackers, pretzels) No yogurt or fruit cups, please.
- A water bottle with their name on it. Water is the **ONLY** drink allowed in the room.
- Lunch. You may decide if they bring lunch from home, or if they get a school lunch.
- Gym shoes to be kept in their lockers
